# Introduction

The aim of this survey was to determine how the Maltese general population, especially the youth, views the idea of relocating and moving out of the country for a job.

The introductory sentence of this survey was;

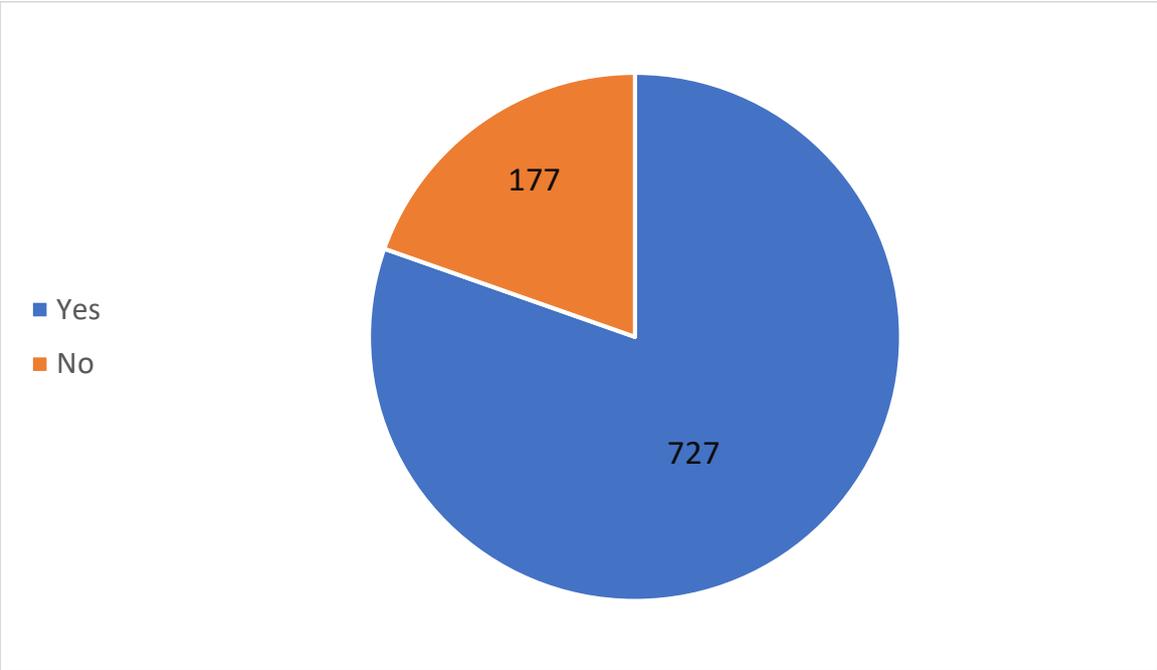

*“In this short questionnaire, we aim to gauge precisely why Maltese citizens seem more reluctant to live abroad, for any reason, than every other European country.”*

This survey has reached a total of 904 respondents.

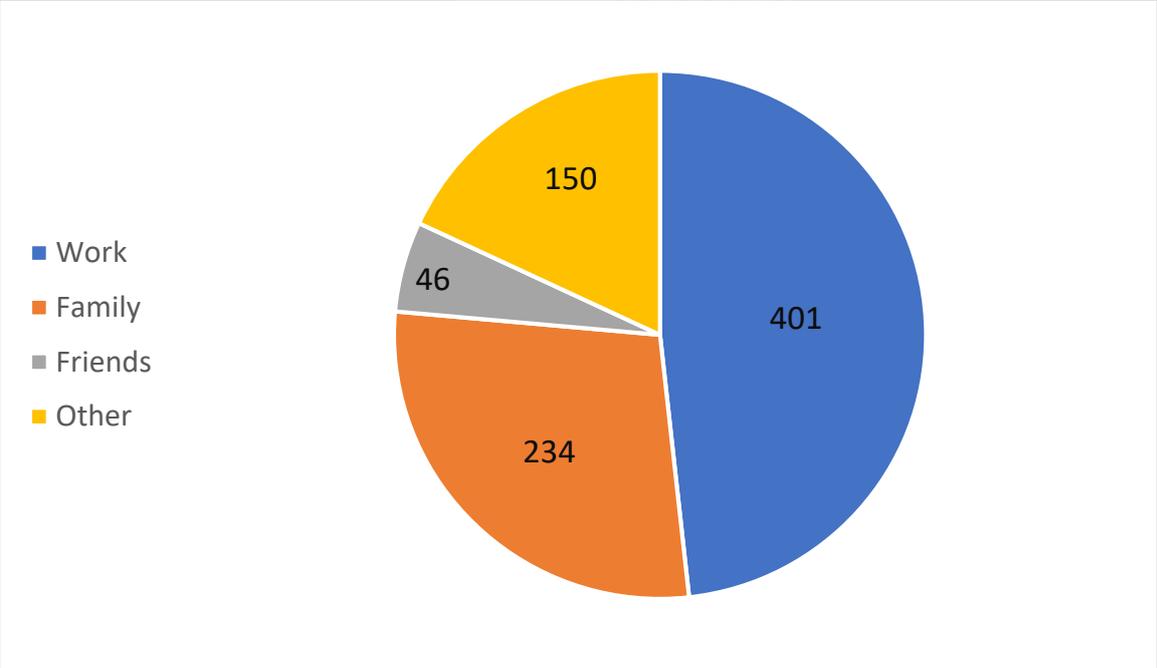

Question 1:

**Have you ever considered living abroad?**

Question 2:

**If yes, why did you consider it?**
